

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

SEC. 98. The following substances shall be known as schedule C drugs and chemicals and may be sold or delivered by persons who have no pharmacist license nor license to sell poisonous drugs where such substances are sold or delivered in the original unbroken packages, and a record of the sale kept, as provided for in section 1052, Revised Laws:

Fungicides.  
Insecticides.

| Rat poisons.

SEC. 99. The box, phial, or other package in which any substance included under schedules B and C aforesaid may be sold or delivered shall bear a label containing the words "Poison" and "Laaau make" in large letters, together with emblematic devices showing the skull and crossbones.

#### **Deaths—Registration of. Burial. (Reg. Bd. of H., Feb. 11, 1915.)**

SEC. 100. All deaths occurring in the Territory of Hawaii must be reported to the registrar of deaths, with the name, sex, and age of the deceased, whether married or single, the nationality, place of birth, place of death, date of death, duration of last illness, cause of death, names of the consulting and attending physicians, whether deceased was a resident or nonresident, and the cemetery where burial is intended. No emblaming or interment will be allowed on the islands of Oahu, Hawaii, Maui, Molokai, or Kauai without permission of an agent of the board of health, and within the district of Honolulu, island of Oahu, and the district of South Hilo, island of Hawaii, such permission must be in writing.

SEC. 101. No permit will be granted for an interment within the city limits of Honolulu, except to the owners of burial plots, and not to such owners except in such places and upon such conditions as the board of health upon investigation shall find will not jeopardize the public health.

The city limits above referred to include the district within the following boundaries: Beginning at the seashore at the south point of the land of Halawa, thence following the easy boundary of Halawa to the summit of the Koolau Mountains, thence easterly along the summit of said mountains to Palolo Valley, thence southerly following the line of the east ridge of Palolo Valley to the seashore at the east side of Diamond Head, thence following the seashore in a westerly direction to the point of beginning.

This section shall not apply to the burial of ashes of bodies which have been subjected to cremation.

SEC. 102. No interment of a corpse or dead body shall be made at a depth less than 6 feet below the surface of the ground, nor within 100 feet of any spring, well, lake, pond, or stream of water, nor within 2 feet of the line of any lot, nor in any place except where the board upon investigation shall find that such interment will not jeopardize the public health.

SEC. 103. No corpse, nor the remains of any dead human body shall be exposed, disturbed, or removed from its place of burial, nor shall the receptacle, container, or coffin holding such remains or corpse be opened, removed, or disturbed after due interment, except according to the terms of a permit granted therefor by the registrar general. A fee of \$2.50 will be charged for issuing such permit.

After any such removal or disturbance, the grave shall be filled at once and restored to its former condition.

SEC. 104. No corpse, or remains of any dead human body, whether attended by a licensed physician or unattended before death, shall be removed from its place of death without permission from an agent of the board of health.
